MOBILITY STUDIES
Second Cycle Degree Program in Historical Sciences

OPEN DAY 2020

June 04, 2020
The humanities play a crucial role in understanding and addressing mobility in modern society.

Global and local scenarios call for new experts who are trained in historical and cultural studies but also ready for political and social action.

Interdisciplinary education and inter-sectoral experiences.

Meeting visiting professors from international universities.

Pursuing an internship with Italian and international partners.

Applying for international exchange programs, scholarships and study awards.
Our Department has been selected by the Italian National Agency for the Evaluation of the University and Research Systems, as **Department of Excellence** for the period 2018-2022.

Thanks to this achievement, we have developed excellent teaching methods and enhanced the international profile of the Department.

Students can take advantage of 2 new research infrastructures: the **Centre for Advanced Studies in Mobility** and the **Humanities**, and a Digital Laboratory for Mobility Research in the Humanities (MobiLab).

The “Mobility and the Humanities” project involves:

- Seminars, conferences, and colloquia
- Summer and Winter Schools
- Social activities and creative commissions
Entry requirements

• Bachelor’s degree or equivalent in Historical and Geographical studies or a related subject such as Philology, Philosophy, Literature, Foreign Languages, Sociology, Anthropology, Global Studies, Social and Political sciences

• Minimum GPA equivalent to Italian 95/110

• English language: B2 level (CEFR) or equivalent
